

Green Compact Launch Event

24 February 2023

Ia Ara Aotearoa Transporting New Zealand and Bridgestone New Zealand would like to invite you to the launch of Transporting New Zealand's Green Compact: Our roadmap to achieving carbon neutral commercial road transport by 2050.

This is your opportunity to hear directly from industry leaders about how the road freight sector is playing a practical part in emissions reduction. We are also delighted to have the Minister of Transport, Hon Michael Wood, speaking at the event about the Government's work programme to support the decarbonisation of road freight in 2023.

 Friday 24 February 2023

 12.00pm-1.00pm *(followed by light refreshments)*

 Bridgestone, Ground Floor, Building A, The Millennium Centre,
602 Great South Road, Ellerslie

For all information and RSVPs please call Nick Leggett at 021-248-2175

Please note there is limited paid car parking available at Wilsons carpark. We suggest you consider alternative travel arrangements.
